FOOTBALL FUND-RAISING

St.Anne's pupils have been proving themselves to be budding David Beckhams and Michael Owens!

The whole school has taken part in a football fundraiser. Two coaches, Gary Lewis and Mike Garrity from Coaching Connexions, spent all day working with each class.
They demonstrated and taught new skills to even the youngest children. The Reception class learnt how to dribble the ball, head it and control the ball with their feet. The older children were concentrating on team work, manipulation of the ball and manoeuvring of the ball.

The children thoroughly enjoyed the day and it has given teachers the chance to experience how professional coaches work with young children, to enable them to reach their potential.
The event raised in excess of £1000, which will be used to purchase new outdoor and sports equipment. Many thanks to all sponsors!
