

PUPIL REPORTERS

Recently, pupil reporters from Holy Cross Catholic Primary School attended Haydock Sports College to interview Jon Wilkin.

The children of Year 2 and Year 6 are working together on a cross-curricular and cross- Key Stage project to devise a radio broadcast.

As one of the segments, the children wanted to write a sports review. They were keen to interview one of the 1st team players from Saints RLFC.

After talking with Gordon Pennington, we arranged to share an allocated time slot with some students from Haydock Sports College.

The interview was a great success and the children found Jon Wilkin to be interesting and very informative.

Thank you to all who were involved in creating this opportunity for the children who have gained so much from this.
