

# CELEBRATING GOLDEN MOMENTS

## **Infants at Ashurst Primary School are very excited about a new resource for their Literacy sessions**

These are the programme notes and some of the pictures from the Celebration Evening at the Theatre Royal.

### **Broadway Hot Honey Rag**

'All that Jazz' and 'Hot Honey Rag' are performed by Broadway High's Year 11 GCSE dance students. Their teacher Amy Zachariades has choreographed the dance. It is based on a study the group did last year on the choreographer Bob Fosse!

'All That Jazz' and 'Hot Honey Rag' are both from the hit musical Chicago and Broadway have chose the costumes to reflect this.

This dance will be performed again at the end of this month when the girls take their GCSE dance exam.

### **Holy Cross The Song Writers**

As part of an EAZ project at the end last year. The children of Holy Cross had the opportunity to work with a great songwriter called Elaine Harris. A small group of these children would like to perform two of the original songs that they wrote with Elaine.

The first song is called "Possibility" and reflects the children's hopes and aspirations for the future; the second is called "Lessons in Friendship" and although they may not be in the National Curriculum these are probably the most important lessons we learn in school.

The Holy Cross Songs R us Choir.

### **St Anne's Jump & Jive**

St. Anne's has had a thriving dance club for the last two years and hundreds of children have enjoyed and benefited greatly from the sessions. Originally, Lynne Radcliff taught the club but now Karen Elliott has taken over the reins. The group have been working very hard with Karen this term and would like to share with you their 'rockin', rollin', foot stompin' version of 'Jump and Jive'.

### **Ashurst Footloose**

The fourteen boys and girls from Ashurst Primary will be dancing to music from the 1980's film 'Footloose'

### **St Theresa's Jabberwocky**

We are the children from St. Theresa's School and we would like to perform for you our interpretation of 'Jabberwocky' a nonsense poem by Lewis Carroll.

## St Austin's Song from Macbeth the Musical

St.Austins have had the pleasure of working with the company "Shakespeare 4 kids" another great idea introduced to us by the EAZ. We performed "Macbeth the Musical" eighteen months ago and we would like to share part of that experience with you now as we perform the witches' scene from the musical (otherwise known in acting circles as "the Scottish play" for those of us who are a little superstitious!!)
