

CELEBRATING IN STYLE

Pupils from the St Helens Education Action Zone schools have performed golden moments from the project at a special Celebration Evening of music, song and dance held at the Theatre Royal.

As the EAZ drew to its close, the schools chose the evening as an opportunity to stage for parents and other guests, a selection from some of the many performances supported by the EAZ over the last 5 years.

One of the main aims of the EAZ project has been to boost the confidence of children and young people, giving them motivation and a real sense of involvement in their own learning.

The purpose of the Celebration Evening was to stage a special event which would prove to be a highly enjoyable occasion for all concerned.

The schools and the EAZ team wish to thank all parents for their support throughout the lifetime of the project. There is a firm commitment to ensure that the opportunities created over the

last 5 years continue to be developed for the benefit of all pupils and students.

Special thanks for the Celebration Evening are due to: Master of Ceremonies Norman Haddock; Stage Manager Claire Williams; The Artzone Team; Nugent Education Ltd; the EAZ team; the Theatre Royal; the Coalfields Regeneration Trust; the pupil performers.
