

FINAL FANFARE

Thirteen Year 6 children from Holy Cross took part in the Celebration Evening to mark the end of the Education Action Zone.

“The children worked alongside songwriter, Elaine Harris, to compose some original songs. They chose two songs - ‘Possibilities’ and ‘Lessons in Friendship’. Each song told a tale of the children’s feeling and expectations. I have to say the children’s performance was just fantastic and they represented the school with enthusiasm and confidence. The children were a credit to their parents, the school and overall themselves.” **Sharon Lowrey, EAZ Co-ordinator**

“We had to be at the Theatre Royal at 4:45pm. As we went in through the stage door the helpers were showing us to our dressing rooms. We were the second act in the first half. I was really, really nervous. When we had sung our two songs we waited in our dressing room until the interval and then we sat in the circle row at the top of the theatre to watch the others performances. I really enjoyed the show. I wish the EAZ could carry on.” **Hannah Seabrook, Year 6**

“I arrived at the Theatre Royal with butterflies in my stomach. We were then shown to our dressing room. As I walked through the door I felt really warm and nervous. I got changed into my costume, and was ready to perform. We played cards in the dressing room until it was time to go on stage. As we waited in the wings we could hear Broadway High School’s performance. As I heard the presenter announce our school I could feel a huge smile spread across my face. I had the most fantastic time. I will miss the EAZ and I will never forget the Celebration Night. Thank you!” **Adam O’Brien, Year 6**
