

PUPILS' PERFECT PERFORMANCES

Children in Year 5 at Holy Cross Catholic Primary School have taken part in The Music Hall Project.

"The project covered a broad selection of curriculum areas including History, Art and Literacy with the main focus being on the performing arts.

The children experienced acting, singing, dancing, model making and writing tasks.

It was fantastic and the staff really motivated the children, who showed constant enthusiasm throughout the two weeks.

It ended with a performance at the citadel in front of our parents, friends and the rest of the school. It was a huge success!

Above all what I personally enjoyed was how the project brought us together as a class and promoted teamwork. It is definitely a highlight of my teaching career and of the children's time in Year 5."
